

Jean Stewart Walk for CCY - Scottish Region

Fancy a challenge? This weekend is definitely not for wimps!! It's a 20 mile hike over 2 days carrying all your camping equipment.

Last year North West Region Youth joined us for the challenge at Glendoll and I'm glad to report

that everyone completed the walk, although quite a few had trouble walking on the Monday!!

This year it is a circular walk starting from Ardgarten on 15th-16th May 2010 (Parents meet at Ardgarten Club Site, see Glasgow DA entry in Out and About).

Have you have got what it takes for this walk in the park? It's free to participate so what are you waiting for?
